

L-110, L-120 & L-130

1 TO 3 NAUTICAL MILE MARINE LANTERNS

Tideland Signal offers a unique range of 1 to 3NM self-contained lanterns, the L-110, L-120 and L-130. All lanterns are ideal for small marker buoys, docks, marinas and aquaculture sites.

Available in all IALA colours, including blue, and can be programmed to any required flash character. These lightweight and completely waterproof lanterns feature UV-stabilized Lexan® polycarbonate and stainless steel construction, easy to install, and will provide years of maintenance free operation.

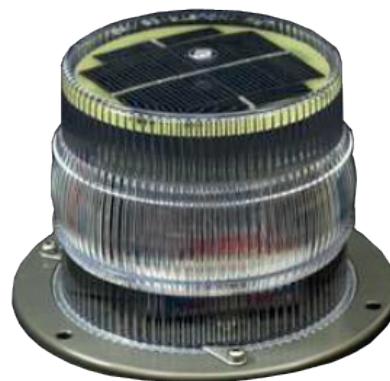

Characteristics

- Cost effective enhancement to marine safety
- Easy installation, just bolts down
- Lightweight design fits any small buoy
- Proprietary optics provide best in class beam quality
- Advanced charge management system
- Easy battery replacement
- All are available with optional accessories including programmer and spare battery packs
