

Tideland Signal Pte. Ltd. New Office Facility in Singapore.

Tideland Signal Pte. Ltd. is happy to share with our friends, agents, customers and suppliers that we have recently moved into a bright and spacious new facility. This new facility is designed with modern office technology/operational concept to create an ergonomic and pleasant working environment for Tideland's staff and visiting guests. Our spacious conference room shall have Tideland's latest products in display and has the capability for live demo of AIS activity of the East Coast area of Singapore. The conference room shall be the ideal training facility of Tideland's products for our agents and customers in the region. The new facility reflects Tideland's commitment to our clients in this region.

The new office is located at 240 MacPherson Road, #02-01, Pines Industrial Build, Singapore 348574. Our phone and fax numbers remain unchanged.
